

Dear Mr. Novotny,

Therefore ERSTE Foundation and Caritas will organize a presentation in Vienna on 14/09/2017

During the networking meeting in Vienna, the results of the evaluation of the KomenskýFond were presented. The KomenskýFond activities in Jhlava were evaluated very good and it is important that the results of the evaluation are disseminated!  
WE would be very happy if you could come to this presentation.

Greetings from Vienna
